**Subject:** Gold King Mine - EPA Sediment & Surface Water Data  
SurfaceWater\_Cumulative Thru 081115 v2.xlsx

Hi everyone,

All final and validated sediment data to date can be found on EPA Region 6's website here:  
<http://www2.epa.gov/goldkingmine/gold-king-mine-data-august-19-2015>.

I am attaching the compiled spreadsheet for surface water quality data (final and validated through 8/11). This is an update to the original version you received with the units corrected.

Please let us know if you have any questions.
